**Description of Transaction and Public Interest Statement**

As set forth in the foregoing FCC Form 603-T, Clay High (“Lessor”) and Fixed Wireless Holdings, LLC (“Lessee”) (collectively the “Parties”) on February 9, 2005, executed an EBS Excess Capacity Use and Royalty Agreement (“Agreement”) for the use of Educational Broadband Service (“EBS”) Station WNC639. While the Agreement is effective as of the execution date indicated above, it requires that the Commission consent to the long term lease of the spectrum pursuant to that Agreement and the effective date of the new rules permitting long term *de facto* leasing.<sup>1</sup>

Approval of the long term *de facto* transfer leasing arrangement provided for in the Agreement is in the public interest because it will provide Lessee with access to spectrum to build and operate a broadband system in and around Gainesville under the rules and policies governing long term *de facto* transfer leases and assist Lessee with providing educational service and meeting its educational service requirements. As the Commission has set forth, the *de facto* leasing model “...better accommodates recent evolutionary developments in the Commission’s spectrum policies, technological advances, and market place trends, consistent with statutory requirements.”<sup>2</sup>

Consistent with the Agreement and the requirements of the Commission’s Rules, Lessee, whose qualifications are a matter of Commission record,<sup>3</sup> will have *de facto* control of the leased spectrum throughout the lease term and Lessor will retain *de jure* control over the leased spectrum. Lessee is financially, technically and legally qualified to be a Commission lessee and will at all times conduct operations under the Agreement subject to applicable rules and regulations. The Agreement raises no foreign ownership, competitive or other public interest concerns. Lessee is not directly or indirectly or affiliated with nor does it have any leasing arrangements with a cable television company.

<sup>1</sup> See Report and Order and Further Notice of Proposed Rulemaking Regarding Amendment of Parts 1 21, 73, 74 and 101 of the Commission’s Rules to Facilitate the Provision of Fixed and Mobile Broadband Access, Educational and Other Advanced Services in the 2150-2162 and 2500-2690 MHz Bands, WT Docket No. 03-66, Report and Order and Further Notice of Proposed Rulemaking, 19 FCC Rcd 14165, 14233 (2004) (“Report and Order”). The Report and Order was published in the Federal Register on December 9, 2004 and therefore the secondary market rules for EBS spectrum are effective on January 10, 2005.

<sup>2</sup> See Promoting Efficient Use of Spectrum Through Elimination of Barriers to the Development of Secondary Markets, Report and Order and Further Notice of Proposed Rulemaking, 18 FCC Rcd 20604 (2003).

<sup>3</sup> Lessee holds over 100 Broadband Radio Service, Commercial Educational Broadband Service and other wireless licenses.

Pursuant to the Report and Order, the Agreement includes all of the EBS substantive use requirements: (i) the spectrum will be used for educational purposes; (ii) the Lessor retains the right to ready recapture of spectrum for educational purposes when used in analog mode and a 5 % (five percent) reservation of transmission capacity for educational purposes when used in digital mode; (iii) the lease term does not exceed the term of the license; (iv) the EBS licensee retains responsibility for compliance with FCC rules regarding station construction and operation; (v) only the EBS licensee can file applications for modification and (vi) the EBS licensee retains the right to acquire the EBS transmission equipment, or comparable equipment, upon termination of the lease agreement.<sup>4</sup> Accordingly, the long term *de facto* transfer leasing arrangement proposed herein is consistent with the public interest, convenience and necessity.

---

<sup>4</sup> Report and Order, paragraph 181.

**Response to Schedule B, Questions 3(a) and 3(b)**

The term of the lease for EBS Station WNC639 will commence upon the date on which the FCC's grant of the lease application becomes a Final Order ("Lease Commencement Date"). The lease will not extend beyond: (i) the date such authorization expires by its terms; (ii) the date such application for renewal is dismissed or denied with prejudice by the FCC; or (iii) the expiration of the term of the termination of the Agreement pursuant to the early termination provisions of the Agreement ("Lease Termination Date"). The parties will notify the FCC of the actual Lease Commencement Date and Lease Termination Date once they are determined. The lease is renewable for a term to expire on May 23, 2005, in accordance with applicable FCC rules.
